

# Volunteering & Social Service

## Rushin Bhatt

Served as a volunteer at Gurudwara Gobind Dham in Ahmedabad. Volunteering roles included cleaning dishes, serving food, polishing shoes, and much more.

Volunteered for the HUM initiative. Taught school juniors, along with specially-abled children not just using educational games, but my piano playing skills as well.

The second picture shows a special cohort of children with neuro-cognitive disabilities who visited our school. I was chosen to teach them using Music as a language of learning.

Was part of the Suvarna Mandir Old Age Home volunteering team. We used to go there once a week, and spend time with the grandparents who have been abandoned from their homes. Activities we did included playing cards, charades, debates, and many more such games.

Student  
Volunteer for  
the Design  
for Change,  
'Be The  
Change'  
Global  
Summit in  
Rome 2019.  
The pictures  
show the  
volunteering  
group, and  
the opening  
ceremony.

Participated in a toy & food donation drive. This was a SciKnowTech Education Foundation initiative, in partnership with the Gulmohar Greens Foundation Club. Food, along with educational toys was donated to underprivileged children.

Volunteer for SciKnowTech's educational visit to Zinzuvadia Dental Care Clinic. Helped students understand basic concepts that the junior and senior doctors were explaining. This was a great initiative to do STEM activities with children.
